# SUMON SARKER

---

376/B, Block C, Mirpur 6, Dhaka • 01515278997 • [sumon.bd.sas@gmail.com](mailto:sumon.bd.sas@gmail.com)

## Junior Frontend Developer

---

### Summary

A passionate cricket player and tech lover.

---

### Skills

#### PSD to HTML

---

I can code pixel-perfect PSD to HTML using vanilla CSS and Bootstrap 4. I know the usages of flexbox CSS grid and transitions and js sliders.

#### PSD to Elementor

---

Elementor is an awesome page builder to build a webpage in a friendly way. I can customize any webpage using elementor according to the requirement.

#### WordPress Theme and Plugin Customisation

---

I am confident to customize any WordPress themes and plugins according to the requirement. I've customized the arii theme and flexia also I've used the woo-commerce plugin to build a store.

#### WordPress

---

I can set up WordPress from scratch and customize themes and plugins to make a website and e-commerce store.

#### GuttenBerg

---

Guttenberg is a paradigm of opensource page builder, I can use it to customize post and pages.

#### Git

---

The most widely used modern version control system in the world today is Git. I know the proper use of pull, push and commit also the version controls.

---
