Professional experience

Fiverr

I work as a Frontend Developer at Fiverr. I have successfully completed over 25 projects on Fiverr with all Five Star ratings from client all over the world. My client are always really happy with my work and they provides great feedback. I also have reached Level 1 on it(As you grow on Fiverr you get various levels). Although I can do Full-Stack Development, I like Frontend more which is why I chose to work as a Frontend Developer.

[VISIT PROFILE](#)

Freelancer

Recently I have also started working on Freelancer.com as well. And so far I a also have all 5 Star reviews of Freelancer as well
